**2008 – 2009**

**February 2014**

## **EXECUTIVE SUMMARY**

The Office of Management and Budget (OMB) designated the Census Bureau as the National Clearinghouse (or Federal Audit Clearinghouse - FAC) for the receipt of Single Audit Reports from state and local governments (later to include nonprofit organizations). In this capacity, the Census Bureau serves as the central collection point and repository for audit reports prepared and submitted under provisions of the Single Audit Act of 1984 (amended in 1996) and OMB Circular A-133. States, local governments, and nonprofit organizations that annually expend \$500,000 or more in federal awards must perform a Single Audit and complete Form SF-SAC for every fiscal year they meet the reporting dollar threshold. Collectively, these submissions permit federal agency inspectors general and grant administrators to monitor the use of over \$1.1 Trillion annually. All data is available to the public through a data dissemination/query system at the Federal Audit Clearinghouse website.

This user manual details the first component of the FAC system, which is the Data Collection module. The central collection point for single audit reports is the Federal Audit Clearinghouse – Internet Data Entry System (IDES) website. This manual intends to provide general data entry and navigational guidance to users accessing the website.

## 1.0 INTRODUCTION

This user manual contains essential information that will enable the user to make full use of the Internet Data Entry System (IDES). It includes an overview of the data collection system as well as detailed instructions on how to properly enter data and navigate the website.

To review the legal requirements and criteria for submitting Form SF-SAC, read the Office of Management and Budget Circular A-133<sup>1</sup>, which is available on the Federal Audit Clearinghouse (FAC) website<sup>2</sup>. Instructions for filling out Form SF-SAC are also available on the FAC website; additionally, they are within Section 4 of this manual.

After reading this document, if you still have questions regarding data entry, site navigation, submission procedures, etc., please contact the FAC by emailing [govs.fac@census.gov](mailto:govs.fac@census.gov) or by calling 1-800-253-0696.

## 2.0 IMPORTANT NOTES

### 2.1 System Enhancements

The following improvements have enhanced and modernized the FAC data collection process:

- **New Account-based System and User Authentication:** Prior to November 2013, the data collection component of FAC was based on a Report ID and shared Password. In the previous system, many auditees and auditors found that sharing the Report ID and Password with one another made it easier for data entry and review.

The FAC has eliminated the need for users to share such credentials. With the new system, users gain access with their unique e-mail and password combination, also known as their “sign-in credentials”.

Using your sign-in credentials, you can view all of the report IDs that you are currently working on, as well as all of the reports that you have worked on in the past. You will establish these credentials when registering for an account.

### 2.2 New Report for Each Submission

A new report is required for each submission. Each report corresponds to one single audit submission for one fiscal period. At this time, FAC does not support submissions that span multiple fiscal periods. For each fiscal period in which a submission is required, you must enter a single audit submission and complete a new Form SF-SAC.

### 2.3 Submission Process at a Glance

Here is a quick overview of the IDES process from start to finish:

- Register an account and sign in (Section 3.1)

---

<sup>1</sup> [http://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133\\_revised\\_2007.pdf](http://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf)

<sup>2</sup> <https://harvester.census.gov/facweb>

If you are new to submitting audits to the FAC, or have done so in the past using the previous system, you must first register a new account to get started.

Features of the new account based system:

- E-mail based account system
- Unique and Individual Passwords
- Lost passwords reset by clicking the **Reset Password** link
- Complete Form SF-SAC online by selecting Start

The auditee is responsible for the accurate and timely submission of this form. An auditor hired by the auditee is responsible for certifying the accuracy of the information included in Part III of the form (Section 3.5.2).

- Make Updates to the Form, as necessary (Section 3.4)
  - Check the form for errors - The new IDES system provides a validation program that automatically checks Form SF-SAC for errors or inconsistencies. If there are errors, the system will specify the page on which the error(s) occurred and the corrective action needed. You can then access that particular page to make the appropriate updates (Section 3.12).
  - Continue to check data, correct errors and run the check for errors until the system indicates the data collection form has passed all of the edits (Section 3.12).
- Finalize the information on Form SF-SAC

After finalizing the form, you can make changes by unlocking it; however, unlocking the form will invalidate any auditee or auditor certifications completed to that point (Section 3).
- Upload the Single Audit (Section 4.0)
- Certify the Submission (Section 5.0)
- Final Submission of the Single Audit Package (Section 6.0)

## 2.4 Form Navigation

You may exit the online form and re-enter it at any time if more than one session is required for completion. You must make sure to save each page as you finish them. In order to re-visit the online form, you must log in at the main login page using your e-mail address and unique password.

- To navigate among pages use the buttons or tabs on each page. **DO NOT** use the **Back** button on the browser. Using the **Back** button on the browser will cause a “Website has expired” error to occur.
- All fields, unless otherwise noted, require a response.

### 3.0 ACCESSING THE SYSTEM

#### 3.1 Register a New Account

The following procedure applies to first time users (i.e., your e-mail address is not registered in the database). The system will prompt a new user to create an account when he/she first attempts to sign in. If you already have an IDES account, please skip this procedure.

1. Click the **Create an Account** button, which is located in the First-Time Users box.

**Important Notice:** The Form SF-SAC and data collection for fiscal periods ending in 2013 is now available. The Office of Management and Budget granted an extension until **February 28, 2014** for all FY 2013 audit packages due on or before **February 28, 2014**. The extension is automatic and there is no approval required.

The November 19, 2013 [Federal Register Notice](#) and the new 2013 [form](#) and [instructions](#) are available for review.

The Internet Data Entry System (IDES) is the place to submit the single audit reporting package, including form SF-SAC, to the Federal Audit Clearinghouse (FAC). Single audit submission is required under the Single Audit Act of 1984 (amended in 1996) and OMB Circular A-133.

### 3.6.2 Adding Multiple Federal Awards Using a Template

Respondents with any number of program lines can choose to upload Federal Award data. Entities that have more than 80 lines must use the upload feature. Once performed, you may not add additional rows to the display page. If additional rows are necessary, make changes to the spreadsheet and perform the upload procedure again.

The FAC has provided a template to assist you in uploading data into their reports. The template contains all of the necessary header information, edit checks and appropriate drop down answers.

Follow this procedure to add multiple federal awards at a time using the Federal Awards template:

1. Click the **Download Federal Awards Template** button.

2. The File Download window will pop up. Select Open to view the Microsoft Excel template.

3. Fill out a separate row on the spreadsheet for each award. Refer to Section 3.6.1 (steps 2-10) for the value descriptions for each of the columns.

The first three columns consist of:

Federal Agency Prefix	Extension	Federal Program Name
	▼	

The last eight columns consist of:

E	F	G	H	I	J	K	L
Amount Expended	R & D	ARRA	Direct Award	Major Program (MP)	If yes (MP), type of audit report	Type(s) of Compliance Requirement(s)	Audit Finding Reference Number

4. Once all rows have been filled in completely, save the template to your computer using the following naming convention: "Awards\_[reportid]\_[version number].xlsx"

For example, "Awards\_999999\_1.xlsx"

5. Return to the Federal Awards page and click the **Upload Federal Awards Template** button to upload the template.

The screenshot shows the 'Federal Awards' tab selected in a navigation bar. Below the tabs, there are two options: 'Option 1: Enter federal awards one at a time' and 'Option 2: Add multiple federal awards using template'. Under Option 2, there are three numbered steps: 1. Download template by clicking the Download Federal Awards Template button, 2. Complete template and save on your computer, and 3. Upload template by clicking the Upload Federal Awards Template button. At the bottom, there are three buttons: 'Enter Federal Award', 'Download Federal Awards Template', and 'Upload Federal Awards Template'. The 'Upload Federal Awards Template' button is circled in red.

6. Click the **Browse** button to search for the spreadsheet that you just saved to your computer. Select the filename and click the **Open** button.

The screenshot shows the 'Submission Form - Federal Awards Upload' page. A 'Choose File to Upload' dialog box is open, showing the 'Look in:' dropdown set to 'My Computer'. The left pane shows 'My Recent Documents', 'Desktop', 'My Documents', 'My Computer', and 'My Network Places'. The right pane shows '(C:) Local Disk'. At the bottom of the dialog, there is a 'File name:' field, a 'Files of type:' dropdown set to 'All Files (\*.\*)', and 'Open' and 'Cancel' buttons. The 'Open' button is circled in red. In the background, the 'Browse...' button on the submission form is also circled in red.

7. Click the **Upload Federal Awards Template** button.

**Upload Federal Awards Template**

Use the **Browse** button to select a file from your local disk drive. When you click the **Upload Federal Awards Template** button, the file is uploaded to our web server.

Enter Filename:

8. After clicking the **Upload Federal Awards Template** button, the system validates the entry. If the spreadsheet has errors such as no records, blank rows or rows missing data, the system displays an error message with suggestions for correction.
9. Once validation passes, the system returns to the Federal Awards page. All entered awards display at the bottom of the page and are editable. Click the **Edit** link (last column) to modify the award details or to enter findings.
